Please join us!

Open Gardens are informal events.
9AM-NOON This is your opportunity to roam the gardens, watch what we're doing, find out about what we're growing, and ask questions about your garden and landscape.

10AM Mini-demonstrations.

At every event, all areas are open and staffed with Master Gardeners:

- Grapes
- Herbs
- Fruit Trees, Citrus
- Vegetables
- Blueberries, Cane berries
- Compost, Worm composting
- Water-efficient landscape gardens

Additionally, each event features:

- Plant Clinic to help with all your plant problems or mysterious pests
- Water conservation, irrigation methods
- Insect, disease and weed management techniques

No reservations are necessary.

These are free events.

All events are outside. Some shade, rain cover, and chairs are provided.
