The UCCE Master Gardener

volunteer program is a partnership between the University of California, county governments, USDA, and California residents. In exchange for the extensive training they receive, Master Gardeners extend University research-based information about home horticulture, pest identification and management, landscape management, water quality and other environmental issues.

It is the policy of the University of California (UC) and the UC Division of Agriculture & Natural Resources not to engage in discrimination against or harassment of any person in any of its programs or activities (Complete nondiscrimination policy statement can be found at http://ucanr.edu/sites/anrstaff/files/215244.pdf) Inquiries regarding ANR's nondiscrimination policies may be directed to John I. Sims, Affirmative Action Compliance Officer/Title IX Officer, University of California, Agriculture and Natural Resources, 2801 Second Street, Davis, CA 95618, (530) 750-1397.
